PROFESSIONAL SUMMARY

Electronics and Communication Engineering undergraduate with a strong foundation in embedded systems, microcontrollers, Embedded C, and digital electronics. Hands-on experience in firmware development, sensor interfacing, PCB design, and IoT prototypes through academic projects and an internship. Strong problem-solving, debugging, and teamwork skills, with a keen interest in applying technology to sustainable agriculture and real-world engineering problems.

EDUCATION

Dr. K.V. Subba Reddy Institute of Technology *Aug 2023 – Apr 2027*
B.Tech in Electronics and Communication Engineering Kurnool, India

EXPERIENCE

Embedded Systems Intern *May 2026 – Jul 2026*
INSPIRE LEAP Pvt. Ltd. Hyderabad, India

- Developed and tested embedded system applications using microcontrollers.
- Worked with communication protocols including UART, I2C, SPI, and GPIO.
- Performed sensor interfacing and firmware development using Embedded C.
- Assisted in debugging, testing, and optimization of embedded firmware.
- Collaborated with mentors and team members to complete project milestones on schedule.
- Prepared technical documentation and enhanced troubleshooting skills.

PROJECTS

Electric Vehicle Design and Simulation *Feb 2026 – Mar 2026*

- Studied Electric Vehicle architecture and system components.
- Learned motor and controller design concepts.
- Performed thermal management studies for EV systems.
- Gained exposure to industry-standard EV simulation tools.

IoT Prototypes and PCB Design

- Designed simple PCB layouts for academic applications.
- Developed basic IoT prototypes integrating sensors and microcontrollers.
- Applied Embedded C programming for hardware control and testing.

TECHNICAL SKILLS

Programming Languages: Embedded C, C, Java, C#

Embedded Systems: Microcontrollers, Firmware Development

Communication Protocols: UART, I2C, SPI, GPIO

Hardware: Sensor Interfacing, PCB Design, Digital Electronics

Tools & Concepts: Debugging, Circuit Design, Logic Gates, Microprocessors, IoT, Hardware Testing

CERTIFICATIONS

- Programming in C# Certification
- Summer Internship Certificate – INSPIRE LEAP Pvt. Ltd.
- AI Tools and ChatGPT Workshop – be10X (Feb 2026)

SOFT SKILLS

Problem Solving • Analytical Thinking • Attention to Detail • Team Collaboration • Adaptability • Technical Documentation • Time Management

INTERESTS

Embedded Systems • Internet of Things (IoT) • Sustainable Agriculture • Entrepreneurship • Technology Innovation
